Dear Sirs,

RE: CALTEX SERVICE STATION (PROJECT NO. HILL001)

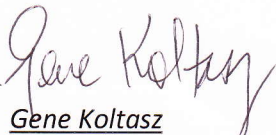

We would like to put on record our appreciation for the professional and timely manner in which Building Solutions Australia (BSA) delivered, on time and on budget, the recently completed Caltex Service Station in Malaga, W.A.

As Project Manager for the landowner/developer, I was most impressed with your attention to the Project Brief, site coordination and overall building systems.

The BSA personnel engaged on the project demonstrated a high degree of building knowledge and showed initiative, beyond the brief and contract documentation, to ensure a delivery of the Project on time.

We thank you for your co-operation on the Project, wish you well in the future and look forward to future opportunities with BSA.

Yours faithfully,

Gene Koltasz
Managing Director
